March 16, 2015 Conrad Historic Site Steering Committee approves the Terms of Reference

December 18, 2014 first meeting of the Conrad Historic Site Steering Committee

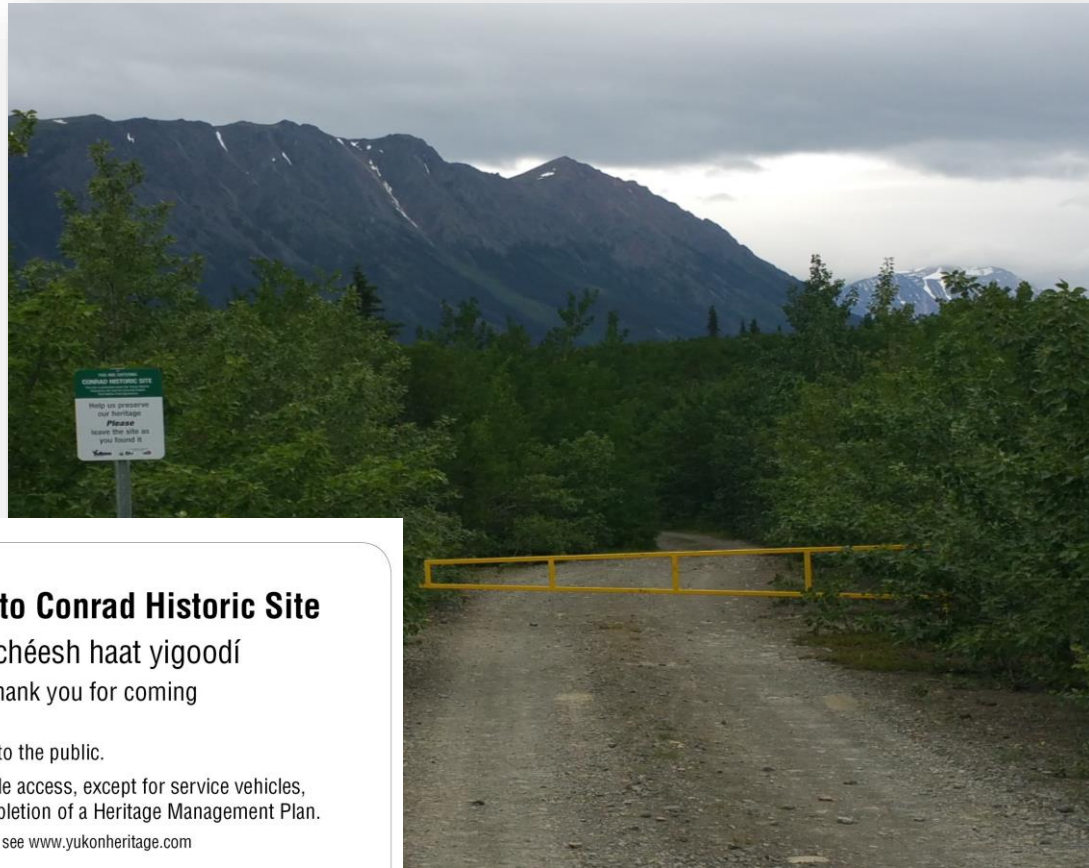

CONRAD HERITAGE MANAGEMENT PLAN

A management plan is under development to ensure that the significant, multi-layered history of the Conrad Historic Site is preserved and that the site's heritage values and historic resources will be available to visitors and residents.

The role of the Conrad Historic Site Steering Committee is to oversee the preparation of a heritage management plan for the site, which will be completed in January 2017.

Preliminary results of the public consultation thus far indicate a concern for the safety and well-being of the site and its heritage resources. The next public meetings regarding the historic site will take place in the fall.

Welcome to Conrad Historic Site

Gunalchéesh haat yigoodí

Thank you for coming

This site is open to the public.

There is no vehicle access, except for service vehicles, pending the completion of a Heritage Management Plan.

For more information see www.yukonheritage.com

CONRAD: TEMPORARY INSTALLATION OF A GATE

The installation of a gate between the Historic Site and the new campground is a temporary measure to protect the integrity of the site until the management plan is completed and long-term strategies are in place.

Vehicle access is for service only.

Sign to the Conrad Historic Site installed to the gate on June 30, 2016.

CONRAD: STABILIZATION OF CABIN

Temporary measure to protect and support cabin May 2016.

CONRAD: TEMPORARY OUTHUSES

Two temporary outhouses delivered to the Conrad Historic Site on May 3, 2016.

CONRAD CAMPGROUND: OPENING DAY

Conrad campground opened May 20, 2016 adjacent to the Historic Site.

www.gov.yk.ca/news/16-200.html

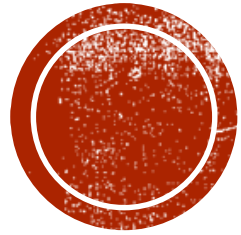

With the opening of the Conrad campground, a priority for the Conrad Steering Committee is to ensure the protection of the fragile heritage values of the site.

People are encouraged to camp in the Conrad campground rather than in the historic site.

Campers will need to launch their boats in Carcross as neither the campground nor the historic site has a boat launch.

Any impacts from the adjacent campground on the historic site will be assessed during the campground's first season.
